Driving Directions to PHCA

From U.S. State Hwy 71:

From **Wadena** go north on **US State Hwy 71** about 31 miles to **Hwy 87**, a paved road.

Turn east on Hwy 87 and drive approximately 4 miles. At that area of Hwy 87, you will come to fairly sharp curve southward (to the right) and Pine Haven Christian Assembly grounds is very soon on the eastward (left) side of the road. A high wooden sign with the camp name is positioned over the entrance.

From Hwy 87, it looks like the campground is lower than the road level, so you are looking down at driveway.

The campground is on the west side of Long Lake to the southern end of the lake. Hubbard, MN, is 1 or 2 miles south of the campgrounds.
